Photo Pro Canvas-370gms

These canvas prints are head and shoulders above the majority on the market. Printed on a 10 Colour Epson Eco-Solvent printer this premium polycotton canvas is perfect for detailed photography. This canvas has the added benefit of being water & scratch resistant and has an outdoor lifespan of 3 years. Each canvas is hand-stretched by skilled craftsmen and finely coated with unique museum grade UV varnish mix for a lasting finish. Choose between 18mm or 38mm kiln dried stretcher bars. When selecting sizes over 40 x 30 inches we'd always recommend the thicker 38mm bars to avoid warping in future.
